Re listed due to fallen sale

Rarely available, this modern detached bungalow on the outskirts of Richmond Town Centre is being sold with No Onward Chain and offers beautifully appointed accommodation along with a generous garden, garage and driveway.

Built in 2017 by Yorvik homes and still retaining 4 years of the builders guarantee the property is truly "move in ready".

The heart of the home is a spacious and modern kitchen diner fitted with high end cabinetry and Neff integrated appliances (double oven, microwave, fridge freezer, dishwasher, induction hob and chimney hood) finished with silestone worksurfaces and under counter 1 1/2 bowl sink. An attractive hallway leads from there to a generous lounge which in turn leads to a double bedroom with fitted wardrobes, a good sized study with fitted wardrobes and french doors to the rear garden, a modern family bathroom with part tiled walls and floor, w/c, wash basin, and full sized bath with aqualisa plumbed shower. The master bedroom is a generous double with a full wall of modern, built in robes having space for TV with ariel socket and a large ensuite shower room again with plumbed aqualisa shower and part tiled walls and floor.

Externally the property provides a linear driveway suitable for 3 vehicles, leading to the detached garage which has power and lighting along with the side entrance to a large, well kept rear garden with secure fencing.

Bungalows of this caliber are a rarity so don't delay, call our office to arrange your viewing.
